GREETINGS FROM THE ORGANISERS

Lahti will host the Nordic World Ski Championships in 2017 for a historic seventh time. We are extremely proud to be the first city to achieve this record. To celebrate our unique history, we decided to name this year’s event the Centenary Championships. The Centenary Championships are both an exciting and carefully prepared world-class sports event and one of the festivities that celebrate the centenary of Finland’s independence. A rare occasion for us Finns—and hopefully for our international guests.

Lahti offers an optimal setting for record-breaking performances. The traditional venue has undergone extensive renovation and is now a fully functioning stadium that meets today’s requirements. We are also proud to have Vierumäki Olympic Training Center as our athlete’s village that allows the athletes to unwind and focus all their energy on performing at their best.

We hope that the 2017 World Championships will leave their mark on future decades of sports events in Lahti and in Finland. The event has gained a great deal of popularity among young people, and we will soon have a new generation of volunteers for sports events. As organisers, we have also made responsibility one of our priorities. We want to create permanent and sustainable models for future events.

We hope that everyone at the World Championships—teams, spectators, media, volunteers and game organisers—will be able to do their best, but, at the same time, enjoy the event. Our goal is that everyone will feel at home in Lahti.

ACCOMMODATION

The National Ski Association (NSA) teams/athletes will be accommodated in the Lahti2017 Athletes' Village in Vierumäki. All rooms are newly renovated, modern and well-equipped with free wifi.

Vierumäki as the official partner of the Lahti2017 is a true Championships Village for all athletes. It's a unique sports resort with high-class services and a peaceful place to carry out preparations and concentrate on competitions. Vierumäki is a mixture of get together and own peace in one place.

Vierumäki as an official Olympic Training Center is fully aware of the requirements of the athletes, especially regarding the selection of food and meal times. Three meals (breakfast, lunch, dinner) per day will be served in 3 different restaurants (Vierumäki Resort&Kitchen, Restaurant Wanha Sali, Restaurant Country Club) including non-alcoholic drinks. These three restaurants serve meals to the Teams with same schedules and menus. Extras such as extra drinks etc. should be paid directly at the hotel.

The booking of accommodation will be made using the FIS online entry system. The reservations and payments will be handled according to the FIS rules.

The LOC will not be responsible for teams that wish to take care of their own accommodation arrangements, but is able to help with special requests for guests and also arrangements for alternative accommodation such as private houses.

The LOC will cover the cost of accommodation for qualified athletes and team members according to the quota. For team members outside the quota, the rate will be at maximum price 120 CHF/person/night.

For extra team officials and special guests, according to the quotas, that are officially entered and whose accommodation has been reserved through the LOC, the maximum price for accommodation with half board is 200 CHF/person/night, for official nights.

For all athletes/officials before and after the official Championships period (20 Feb – 6 March), the maximum rates will be as follows:
- Double room full board: 159 EUR/person/night
- Single room full board: 203 EUR/person/night

Should a team wish to book more single rooms than the rules require, the price will include the price difference at the hotel facility concerned, approx. 20 - 60 EUR/person/night.

An invoice for the deposit of 50% of the total number of rooms and nights will be sent to each NSA for payment no later than November 15th 2016. An invoice of the remaining 50% will be sent for payment no later than January 15th 2017. If payment is not completed before the due date, the LOC reserves the right to cancel the reservation. A reimbursement of the expenses will be prepared according to the rules for free accommodation for qualified competitors after the event and will be paid no later than April 30th 2017.
