## **Regulations of radio equipment / radio frequencies:**

The import, export and the operation of radio equipment in Finland is regulated by national law. Permits for the use of radio transmission equipment must be requested according to national specifications.

The Finnish Transport and Communications Agency (TRAFICOM) controls the use of radio frequencies in Finland and ensures that a sufficient number of frequencies are equally available, in order to ensure all users are able to operate in a cooperative and legal manner.

Each user of a radio transmitter subject to license must obtain a license granted by TRAFICOM. TRAFICOM assigns the frequencies to be used. It is prohibited to use any other frequencies than the ones mentioned in the license.

The radio license application can be completed via the link below and it **must be submitted to TRAFICOM by January 31st 2020.**

<https://www.traficom.fi/en/contact-form-event-organizers>

More information from Mr. Markku Laasonen +358 295 390 454 / markku.laasonen@traficom.fi  
There will not be radio inspections at the venue.

**For license-exempted equipment, please see TRAFICOM Regulation 15 on collective frequencies for license-exempt radio transmitters and on their use:**
