Transport

Official airport is Helsinki airport (94 km from Lahti). The organizing committee will arrange transportation between the airports and the hotels. 1 transport (from and to the airport) free of charge. For this, teams are required to send the exact arrival times, flight numbers and number of arriving people latest by 11th December 2020 via FIS Online Entry system.

No Shuttle transportation from city hotels.

Reimbursement

Accommodation costs: Over quota costs are to be paid by cash or credit card.

Carrying costs/Reimbursement: Expenses sheets will be received in financial office during the race weekend or by e-mail: finance@hihtoliitto.fi Payments will be done by bank transfer. Prize money: Prize money payment (Word Cup Rules Art. 8) Due to data protection rules the data's from the athletes have to be given directly to: finance@hihtoliitto.fi or on-site to the Financial office (opening times will be informed shortly)

Prize money

Prize money from is available on FIS Website under: <https://www.fis-ski.com/en/inside-fis/document-library/ski-jumping-documents> Please note, the Finnish law does not allow any prize money transfer without the indication of the TINs (Tax identification number) from January 2019 on. You can find an instruction where to find your personal TIN here: <http://www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-identification-numbers/> Financial office is situated at Cross-Country service area and we will inform the opening hours on our website closer to the event.

WAXING FACILITIES

Ski jumping service area is located next to the hills (ski jumping and Nordic combined).

Cross-country service area is situated on the field next to the ski jumping hills.

There will be NO dressing room at there venue due to Covid-19 regulations.

Medical Service & Health protection plan

Instructions for arrival and Covid-19-testing at Lahti Ski Games 22 to 24 Jan 2021 for teams and FIS officials

1. ARRIVAL AND TEST REQUIREMENTS BEFORE ARRIVING TO FINLAND

Upon arrival to Finland, every Lahti Ski Games participant must be able to present a negative COVID-19 test result that can be at maximum 72 hours old while crossing the border. The test document is required in addition to standard travel documents, i.e. valid passport and a visa (if required). Be prepared to present your testing certificate at the border control. Make also so sure that it is uploaded to the FIS Passport system.

2. TRAVELLING TO THE TESTING AREA

The LOC organizes transportation from the airport to Lahti. All LOC transportation goes first to the Stadium for testing, before taking the teams to the accommodation. The buses will use 50% of their transportation capacity. The sitting order at the buses will be as close as possible to the sitting order at the plane, in order to minimize the potential quarantines. Please follow the instructions while seated in the buses.

Make sure, that you familiarize yourself with the Lahti Ski Games Covid-19 instructions during your travel, if you have not done so already beforehand. The information is available at www.lahtiskigames.com

3. COVID-19 TEST PROTOCOL

Every team member must participate a COVID-19 test immediately after arriving to Lahti. The test is an utmost priority and must be taken before entering to accommodation.

a) The only exception to this order can be done if you are arriving after the testing point is closed. This has to be agreed beforehand with the LOC. When agreed separately, it is allowed to enter to accommodation first. The accommodation office has sent by email to you or to your team leader the necessary information concerning your accommodation. If you have booked your own accommodation, follow the instructions they have delivered. In this case, it is required to take the coronavirus test first thing in the next morning. Getting the event accreditation is not possible without the negative test result.

b) In testing, be prepared for queuing. Go to toilet and eat/drink before testing, if necessary. Testing happens as a drive in-model for those that arrive for testing by car and they will be tested while seated in the car. Those who arrive by bus will have to step out from the bus for testing. They will be provided room for waiting at the testing area, Vesijärvi hall right next to Stadium.

NB. There will be queues at the testing point. To make the testing as smooth and quick as possible, please provide the required pre-information to the organizers by the deadline. If possible, please go to the testing point in that particular order, how you have entered the information to the file. We ask for your patience!

4. ACCOMMODATION

a) After the testing the teams are transported to their assigned accommodation by the same bus. The accommodation office has delivered the necessary information by email. If you have booked your own accommodation, follow the instructions they have delivered.

b) After the testing you will be in quarantine as long as you will receive your test result. During the quarantine it is NOT allowed to go to shops, supermarket, restaurant, stadium, event office etc. After getting the negative test result you will enter into the event "bubble" according to the accreditation guideline. Please, be aware of the instructions on how to behave with the Red Bubble accreditation.

5. ACCREDITATION

a) You will get your accreditation card after a negative test result. Your accreditation card can be acquired from the accreditation office at the bottom floor of the Grandstand Building, next to the CC stadium. It is preferred that the Team Manager will get accreditations for the whole team. That requires, that the paperwork concerning the test results is 100% complete in the testing situation

RADIO EQUIPMENT / FREQUENCIES

The Finnish Transport and Communications Agency (Traficom) regulates the use of radio frequencies in Finland. Based on submitted applications Traficom issues radio licences for users of radio transmitters to ensure trouble-free utilisation of the radio spectrum.

Applications can be submitted by filling in the form found with the link below no later than 23 December 2020.

<https://www.traficom.fi/en/contact-form-event-organizers>

FIS Nordic Combined World Cup

Lahti (FIN)
22.01.2021 - 24.01.2021

Some radio transmitters can be used on licence-exempt basis depending on their operating frequency and application. Please refer to Traficom Regulation 15 -

https://www.finlex.fi/data/normit/46168/Regulation_15AQ.pdf

The applicable frequency bands for wireless cameras, video links and microphones have been collected to page <https://www.traficom.fi/en/communications/communications-networks/wireless-cameras-video-links-and-microphones>

Please send your possible question to radiotaajuudet@traficom.fi

Regulations of Visa

Special permissions for truck driving (Sunday and night, other days with special regulations)
