REGULATON FOR VISA:

Remember that citizens of some countries will need visa for visiting Italy.

Please check with your embassy if you need a visa for Italy.

For an official letter of invitation, please send a request to: info@fiemmeworldcup.com

ACCREDITATION

The accreditation for teams/staff/technicians/officials/coaches/SRS must be requested, like in the past seasons, through the FIS online system. It is also compulsory for everybody to register on the FIS Passport, where you also have to apply for the event in Val di Fiemme.

The FIS considers the Tour de Ski as one event. Therefore the entry testing defined in the FIS Protocol applies for all at the stage where one enters the Tour. If any team member enters the Tour in Lenzerheide or Oberstdorf, no further testing is required (unless they are neither vaccinated nor recovered). Please find the different procedures here:

- FOR PEOPLE WHO ENTER THE TOUR DE SKI IN LENZERHEIDE OR OBERSTDORF AND ARE VACCINATED OR RECOVERED FROM COVID-19

These people have to provide a negative Covid-19 RT-PCR test (saliva/swab test) carried out no more than 72 hours prior to the arrival in the first stage they attend (Lenzerheide or Oberstdorf, please refer to the local protocols), upload it on their FIS Passport, where they will also put all the information regarding their vaccination status, and then no more tests will be required to them till the end of the Tour. That

means that for the Val di Fiemme stages, people that are part of this category won't need any further document or test in order to get their accreditation. Just remember to register on the FIS Passport and make the application also for Val di Fiemme, not only for Lenzerheide or Oberstdorf.

- FOR PEOPLE WHO ENTER THE TOUR DE SKI IN LENZERHEIDE OR OBERSTDORF AND ARE NEITHER VACCINATED NOR RECOVERED FROM COVID-19

These people, that will in any case be asked to provide an initial negative Covid-19 RT-PCR test (saliva/swab test) carried out at least 72 hours prior to their arrival in Lenzerheide or Oberstdorf (according to the local protocols), will have to repeat the test in order to get accreditation for the other stages. That means that for the Val di Fiemme stages, people that are part of this category will have to upload on their FIS Passport a negative PCR test carried out no more than 72 hours before their arrival at the accreditation office in Val di Fiemme, and then they will have to undergo an on-site test after the validity of the entry test has expired (2-3 days). This on-site test must be booked autonomously (you find the contacts of the available clinics here under).

- FOR PEOPLE WHO APPLY ONLY FOR THE VAL DI FIEMME FINAL STAGES OF TOUR DE SKI

According to the FIS Covid-19 World Cup Risk Management and Testing Protocol, people who apply only for the Val di Fiemme stages will be asked to follow the normal FIS Protocol for World Cup competitions, that means that they will have to provide a negative Covid-19 RT-PCR test (saliva/swab test) carried out no more than 72 hours prior to the arrival at the accreditation office in Val di Fiemme, and then upload it on their FIS Passport. This entry test is mandatory in any case for all people that are part of this category, regardless to immunity and vaccination status. People who are vaccinated or recovered won't need any other test till the end of the event, while people who are neither vaccinated nor recovered will have to undergo an on-site test after the validity of the entry test has expired (2-3 days). This on-site test must be booked autonomously (you find the contacts of the available clinics here under).

Please remember that everybody will always be asked to complete the Health Questionnaire on the FIS Passport before coming to our event, and that the PCR test must be uploaded on your FIS Passport as soon as the result is available, in order to allow the LOC to have enough time to check the information.

All the information uploaded on the FIS Passport will be checked by the OC, and if everything is correct, you will get an e-mail with the confirmation of your accreditation request. When you come to the Cross-Country Stadium, you can show this confirmation e-mail to the OC access control staff. Showing this e-mail you can enter the main access of the stadium in order to reach the accreditation office and pick up your accreditation, but then, in order to have access to the Team Area and the other facilities inside the stadium, the only way is to show the accreditation.

It is strongly recommended that only one team representative comes to the accreditation office to pick up the accreditations for all team members.

Together with teams' accreditation you will also get the Team parking cards that you need.

If you should need for any reason to book personally a Covid-19 test on-site (PCR or antigen), here there are the contacts of two clinics that can offer you this kind of service, booking it in advance:

COVID-19 REGULATIONS

To ensure the FIS World Cup and an event is not placed at risk from a Covid-19 outbreak and consequences, it is the responsibility of every person to adhere to this policy, follow all procedures and instructions and always behave in a disciplined manner.

A breach of discipline protocol will lead to withdrawal of accreditation, such as going to locations with others present that are not subject to the protocol, f.e. bars, hotspots during the Event.

Here at the following link, you will find the Covid-19 protocol for teams issued by the OC Val di Fiemme, that will be constantly updated:

<https://www.fiemmeworldcup.com/it/tourdeski/info-e-protocollo-covid-19-teams.php>

BIBS DISTRIBUTION

The bibs for each competition will be delivered at the info point of the team area, in the morning.

ACCESS TO THE STADIUM

It is mandatory that the athletes and coaches to reach the stadium follow the dedicated path, even for going back to the cabins, otherwise the LOC is not able to guarantee the safety of the athletes.

TEAM CAPTAINS' MEETING

The first Team Captains' Meeting will be held in the TCM room at the cross-country stadium. Only one representative for each team is allowed to take part. All other meetings will be held online.

ALPE CERMIS

To reach the finish area of the Cermis on Tuesday 4th January, 1 minibus per nation can get a parking card to go on Alpe Cermis and park there. The OC will allow the teams who will need it, to have another pass for a second vehicle: this further pass will be just a drop-off card, and it won't allow the parking at the finish area of Alpe Cermis.
